

# PARM News

***June 2015***

## PARM website is now online!

We are really happy to welcome you to our new website and we are pleased to give you some insights to [Who we are](#) and how this online platform could be useful for sharing knowledge on agricultural risk management.

[Welcome to PARM:](#)  
["Managing risks to](#)  
[improve farmers'](#)  
[livelihoods"](#)

Let's start with the PARM programme. The Platform for Agricultural Risk Management

(PARM) is a partnership between the European Commission (EC), the French Development Agency (AFD), the Italian Development Cooperation (DGCS), the International Fund for Agricultural Development (IFAD), NEPAD and the development

partners, designed to make risk management an integral part of policy planning and implementation in ...

## A look into PARM first year...

The year 2014 has been the very first year in the life of the Platform, beginning its operations with an interim Secretariat upon the recruitment in early September 2014 of the PARM Secretariat dedicated staff housed in IFAD. PARM has focused on setting up activities, consolidating its governance and partnerships, and defining a long term strategy. Coordination and Governance The PARM Steering Committee (SC) has met ...
